

## Seven Tips to Maximize Your MMS Medical Student Membership

1

**Follow** the MMS on your favorite social media channels: Twitter, Facebook, LinkedIn, Instagram, and YouTube.

2

**Participate** in the Medical Student Section and help determine policy, advocacy priorities, activities, and programs, or represent the MMS at the American Medical Association.

3

**Grow** your leadership skills by serving on the Medical Student Section's Governing Council, on your school's chapter executive board, or on one of the many MMS committees.

4

**Influence** national public health care policy by accepting your complimentary membership to the American Medical Association, sponsored by the Massachusetts Medical Society.

5

**Testify** at the MMS House of Delegates sessions and shape the Society's legislative agenda, and advance evidence-based medicine.

6

**Build** your network by attending MMS-sponsored networking events, District Medical Society activities, and other educational programs.

7

**Encourage** your medical student classmates to join the MMS to address critical public health care issues together.

### MMS MEDICAL STUDENTS BY THE NUMBERS
